HOW TO USE THE PATTERN

1. Seam allowances are included. Still remember to leave extra material 3-4 cm (1 1/2") to the center-back of the bra band, just in case the fitting alterations need to be made!
2. Cut the parts of the lining one by one. Remember to turn the pattern around to get the mirror images.
3. Cut the cup cover and bra band parts from double fabric.
4. Copying this pattern for commercial purposes is not allowed.
